Work History

SOFTWARE DEVELOPER & GRAPHICS DESIGNER | DEKILA LTD

08/2021 - Present

Worked on making the company website, developing and optimizing new websites. Designing vectors and illustrations for branding.

- Increase Sales by doing proper SEO to our website first 4 months

- Developed high quality graphics that raised the company standards

- Produced SEO campaigns and content to gain market share for related keywords.

DIGITAL MARKETER | MOCKY DIGITAL

2016 - Present

Started a digital agency building websites and marketing for local businesses. Mostly WordPress sites with small modifications to themes.

- Organized SEO & SEM campaigns on a local and global scale.

- Saved a customer a lot of cash a year by reducing AdWords CPC cost with optimization

- 5 + websites built with my small team of developers and freelancers
